- No Cash Outlay!
- No Candy To Melt!

## Please Note:

1. Look through the book... You'll discover many, many exciting ways you and your family can save throughout the year. But even if you use it only a few times, your book will pay for itself...and more! For greater savings, keep your book in your car or purse so it is with you wherever you go.
2. Please read each certificate carefully before using. You will notice that while some offers are valid under any circumstances, others are not. Reading the entire certificate ahead of time can help avoid any inconveniences. Appointments are necessary in some cases.
3. **When dining, please respond to fine and efficient service by basing your gratuity of at least 15-20% on the entire total of your check prior to your discount.**
4. Agreements have been obtained from all participating businesses. The publisher and the non-profit sponsors of this book shall not be responsible in the unlikely event a merchant fails to honor a coupon or goes out of business.
